Professional Guest Information Club Policies July 1, 2018 - June 30, 2019

Welcome to the North Star Figure Skating Club! In an effort to ensure that all members are aware of the policies and procedures here at NSFSC, we have prepared this "Professional Guest Information" which we hope you find helpful.

Guest Policy Required:

A Coach from another US Figure Skating Club with a **valid membership card** may coach on North Star Figure Skating Club ice.

They must **provide a copy of their Liability Insurance stating Northborough Youth Hockey Program, Inc, NorthStar Ice Sports and the Town of Westborough as additionally insured prior to coaching.**

Prior to coaching on North Star FSC ice the coach must fill out the guest professional registration and waiver included in this packet and give it to the ice monitor or email: ddavid@northstaricesports.com

A guest coach may teach on North Star FSC Ice by paying \$20.00 per day.

(During July and August sessions the guest coach fee is waived)

However, Coach's must fulfill all other requirements.

Guest coaches must pay the guest fee **prior** to taking the ice. Failure to pay before taking the ice will result in a \$30 fee the first time, \$50 fee the second time, and a loss of guest coaching privileges the third time.

If you do not wish to carry cash with you at all times, you may pre-pay for guest walk on tickets at \$20 each and then turn them in each day you coach.

Skating on our ice

Please Note: As a guest coach, you must **check in** with the **ice monitor** prior to skating and sign the walk-on sheet. Please inform your skaters that they **must also 1st check in** with the **ice monitor** prior to skating. Skaters must exit the ice immediately when the session ends. Please use your cell phone for exact time as many rink clocks are off by a minute or two.

Guest coaches are **NOT** allowed to coach on any Home Club Members Only ice, use the off-ice rooms or use the harness.

"Walk-on" Policies and Payments

A "Walk-on" Skater shall be defined as any Member whose name does NOT appear on the list for the session of which the Skater wishes to skate. "Walk-ons" will be granted on a first-come, first-serve basis. If a session is full, Skater must wait 10 minutes before entering ice. Space **cannot be reserved** nor can assigned skaters swap sessions. All "Walk-on" Skaters **MUST** come to the rink in person and check with the Rink C office. All walk-ons must be paid **prior** to skating or an additional \$2.00 will be added to the walk-on.

*****Please note:** NorthStar does not accept bills over \$50 for coach fees or walk on payments***

Freestyle Descriptions/Policies

Safety of our skaters is the primary concern. The right is reserved by the Club to designate a freestyle session a skating level requirement if the majority of the skaters are of a level that could jeopardize the safety of the beginning level skater. If a North Star Home Club Pro or a member observes a skater that obviously does not have the speed and level of maneuvers that may put that skater or other skaters at risk, it is their responsibility to bring this first to the attention of the Skater's Professional, and second, to the Skating Director. If this should occur, and it is necessary to switch a skater to another session, there will be no additional charges for the switch. (please refer to our ice monitor rules).

Moves	Pre-Juvenile MITF and up (unless otherwise noted)
Leveled Freestyle	For skaters at the levels listed. Moves are not permitted
Open	Moves/Freestyle/Dance

1. There will be 'No Admittance' to the ice for freestyle sessions until the moves sessions are over. Skaters must leave the ice as soon as the session ends and wait for the Zamboni to exit the ice prior to the beginning of a session.
2. A Skater doing his/her program has the right of way. It is very important that all skaters are aware of who is skating their program.
3. It is recommended that spins must be taught and practiced between the blue lines.
4. Skaters MUST keep moving on the ice. Unless injured, a skater must get up from a fall as soon as possible.
5. Congregating at the boards, on the ice or sitting on the rink barriers is NOT permitted.
6. Skaters and coaches are NOT allowed to have refreshments on the ice other than unbreakable, sealed water bottles.
7. Talking on cell phones, iPods, etc. are not permitted on the ice.
8. Proper skating attire. No jeans please. Hooded sweatshirts should also be avoided.
9. NO talking is permitted in the middle of the ice.
10. When sessions are available in more than one rink, skaters may be asked to switch to the other rink based on the level of the majority of the skaters.
11. Skaters may politely say "excuse me" when skating their program.
12. Skaters must watch out for higher level skaters.
13. Program restarts are not allowed without the permission of a coach.
